## The Arrowhead Park Association (APA) Scholarship Program

One of the many  
benefits of APA  
membership.

## Eligibility

You are eligible to apply for an APA Scholarship if you meet either of the following criteria:

- You have worked for an APA member company for at least six months prior to the date of application.
- One of your parents has worked for an APA member company for at least six months prior to date of application.

If you are unsure whether your company belongs to the Association, call 419.897.6614 or visit [arrowheadpark.org](http://arrowheadpark.org).

If your company is not a member, please ask for information about how to join. You and your company will enjoy many benefits as a result of APA membership.

Applicants must plan to attend an accredited institution, pursue an associate, bachelor, or master's degree, and have a current GPA of 3.0 or greater.

The Scholarship Committee will also take into account financial need and the applicant's community service and volunteer contributions.

## How To Apply

Applications are available for download online at [arrowheadpark.org](http://arrowheadpark.org). You can also obtain an application packet from your company's APA representative or by calling 419.897.6614. The application form must be completed and postmarked, along with all supporting documentation, by April 28, 2017. The address to which you will send your materials is indicated in the guidelines attached to the application.

## Scholarship Details

One or more scholarships are awarded annually at a level that varies depending on availability of funds. When you apply, we ask you to estimate your costs. The amount of the award is based on your costs minus any other sources of support. For example, if you attend a college where your tuition, fees, and books are \$2700 a year, and your company will cover \$2000 a year in tuition assistance, your award will be limited to a maximum of \$700.

The scholarship will be paid to the Bursar of the college you attend. Any unused funds at the end of the year will be returned to the APA.
